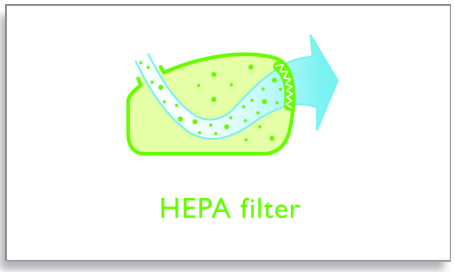
sense and simplicity

Bagless vacuum cleaner
EnergyCare ParquetCare

FC8146/01

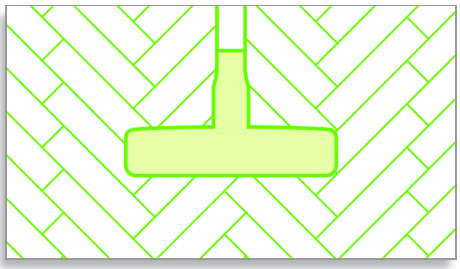
# Highlights

## HEPA filter



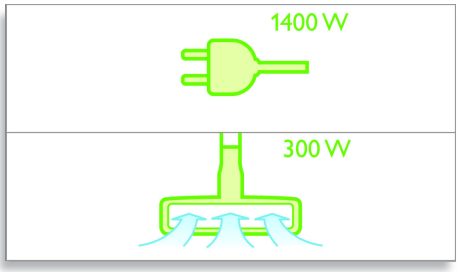
This HEPA filter catches harmful microscopic vermin that cause respiratory allergies. To maintain effective filtration, replace the HEPA filter every 6 months.

## Parquet nozzle



No more risk of scratches thanks to this nozzle with soft brush hairs, especially designed to carefully clean your hard floors.

## 1400 Watt, 300 Watt EasyLife

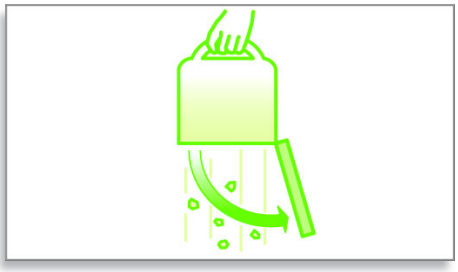


The efficient 1400 Watt motor generates 300 Watt max. suction power, which means that you use less energy but do not compromise on the cleaning results.

## Indicator light

The indicator light turns on when the bucket is full and needs to be emptied. Emptying and cleaning the bucket and the filter will ensure you keep optimum cleaning performance.

## One-button release system



The closed dust container can be emptied from the bottom at the simple push of a button.

# Specifications
